Dear Glen:

Enclosed is a copy of the letter that I sent to Jim White and a copy of the letter that I sent to George Douglass. Hopefully, Jim will respond quickly and then we can figure out where we stand.

I forgot to ask you, in the meeting yesterday, if you would make sure that the staff gage gets put back in the wet well in your hydro power plant. I am assuming that you did intend to take care of it; I just thought that I would send you a reminder.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Distribution
